<sup>\*</sup> This table reflects 2,736,445 AP Examinations taken by 1,580,821 students from 17,032 secondary schools

<sup>\*\*</sup> Standard students generally receive most of their foreign language training in U.S. schools. They did not indicate on their answer sheet that they regularly speak or hear the foreign language of the examination, or that they have lived for one month or more in a country where the language is spoken.

<sup>\*</sup> This table reflects 2,736,445 AP Examinations taken by 1,580,821 students from 17,032 secondary schools.

<sup>\*\*</sup> Standard students generally receive most of their foreign language training in U.S. schools. They did not indicate on their answer sheet that they regularly speak or hear the foreign language of the examination, or that they have lived for one month or more in a country where the language is spoken.
